“The music is behind those dots.”

– Vladimir Horowitz

sunlight

a dot

in mind

kneading you on a journey to the dot

the large and small
letters leading
up to a dot

out of the blue

dot's knock on wood

cries form a
board a dot

so it is
having lost
to a dot

a dot
no finch
would cross

a rope and
tin bucket
down a dot

light the
end of
a dot
